TRAVELLERS**

DON'T WAIT, GO AND GET CHECKED!

What to look out for?

If something doesn't feel right, look right or something has changed.

If there is pain or any leaking.

Why is screening for me?

Finding something early could save your life.

What you need and how we can help

You must be registered with a GP to be invited to screening.

If you've not got a GP, call **FFT** on **01273 234 777**.

If you don't have an address for your post, you can use our care of address.

If you want support attending an appointment, we can find support in your area or one of our colleagues can attend if you're local.

It will usually be a woman doing the test, but ask when booking to check.
